Draft Environmental Impact Statement for a Geologic Repository for the Disposal of Spent Nuclear Fuel and High-Level Radioactive Waste

Comment Sheet

Name: Holly DeFeliceOrganization: I P O A.Mailing Address: 3720 Alliance St
Las Vegas Zip: 89129Telephone number (optional): (702) 8655-8065

I request that these comments be made a part of the official record.

Violates the Nuclear Waste Policy Act of 1982.

- 1 • The fundamental concept of geological disposal as outlined in the act was for waste isolation. Instead the DEIS describes and "evolving" facility design based on delayed release of radioactivity by means of engineered barriers, so the site will leak. How much and when is not clear.
